July 24, 2020

Congratulations!

WE HAVE ENROLLED 503 PATIENTS INTO LOVIT.

**CONGRATULATIONS AND THANK YOU FOR YOUR WONDERFUL WORK
DURING THIS DEMANDING PERIOD.**

WE LOV(e) WORKING WITH YOU!

Second Interim Analysis

The second interim analysis will be conducted when 530 participants have completed 28-day follow-up.

We anticipate that this analysis will take place at the end of September 2020.

**Please ensure that all data are entered and queries resolved
so that the interim analysis will not be delayed.**

LOVIT and co-enrollment

We are pleased to inform you that co-enrollment with TEAM, PLUS, Mega-ROX, PROACTIVE, and ATTACC is now permitted in LOVIT.

New data to be entered on Forms 4.1 and addition of Form 4.5

We have made a couple of changes to the CRFs and EDC system. Please collect and enter the following data into the EDC system for all LOVIT participants:

- Form 4.1: For question 1, "Is the patient on vasopressor today?", if the answer is "No", please answer question 1.3 "Lowest mean arterial pressure".
- Form 4.5: If the answer is "Yes" to question 1 on Form 4.1, you will need to answer the following question on the new Form 4.5: "If patient received vasopressor(s) during this study day, please specify highest dose(s)".
