

Lessening Organ
Dysfunction with
VITamin C

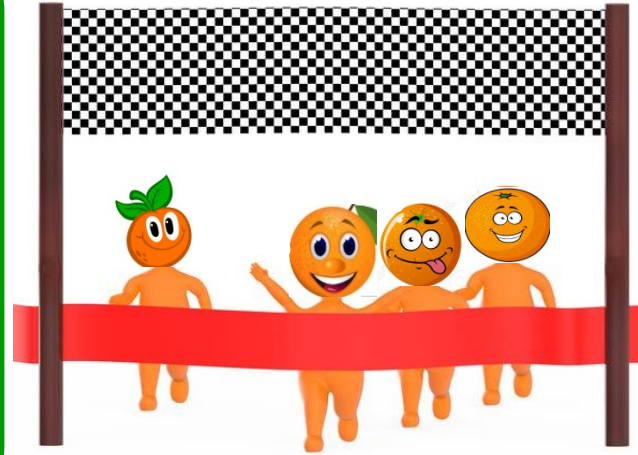

LOVIT and LOVIT-C^{COVID}

Newsletter

Volume 3, Issue 3 – April 7, 2021

Enrollment Completion and Data Entry

We would like to enroll 850 patients in LOVIT. We will reach this target in late April or early May 2021. Please do not delay entering your participants' data in the database to ensure a timely analysis.

812
patients
enrolled!

Great News

Juravinski Hospital randomized their 100th patient.
Congratulations to Niagara Health which is activated.

There were **41** patients enrolled into LOVIT in March.

THANK YOU ALL!!

New Version of the Research Protocol

- The version 2.0 includes the addition of the PK Study. There are no changes in the informed consent form.
- Please contact us if you are interested to participate in the PK study.

START-UP PAYMENT

\$3000 for sites submitting through CTO or MSSS and **\$4000** for other sites.

We encourage sites in Canada to participate in LOVIT-COVID.
