## LOVIT

847 patients enrolled.  
29 sites closed to enrollment.

We would like to thank the 8 sites in New Zealand as they continue to enroll in LOVIT. They have enrolled 61 patients to date, with 21 more patients needed to reach the final sample size. Each site has enrolled at least one patient.

## LOVIT-COVID

201 patients enrolled.  
Nine sites activated.

Did you know that by combining all the COVID-19 patients of LOVIT, LOVIT-COVID and REMAP-CAP Vitamin C domain, we have more than 900 participants! Data will be combined and analyzed under a master protocol.
